**Complimentary Countertops:** Gray

**Notes on interior decorating with wood countertops:**

The Maple Wood Countertops in this kitchen compliment the white tile backsplash as well as the light blue cabinetry. The Maple Countertop on the right hand side of the stove includes a Drop Leaf with hidden hardware. When the Drop Leaf is up, it allows for additional counter space. When it is down, it allows for more kitchen space. Countertops including this Drop Leaf feature are perfect for small spaces.
