Undermount or Overmount Sink: Farmhouse Sink

Countertop Options: N/A

Complimentary Countertops: [Ella by Cambria](#)

Notes on interior decorating with wood countertops:

Designer Kelly Bailey stated, "The homeowner had a love of panel work, and the farmhouse style complimented that perfectly. The cabinetry features a custom decorative toe-kick, which made it more furniture-like. The Grothouse top was a great way to add warmth to the kitchen and break up all the white."
