Job: 15595

Year Completed: 2016

Undermount or Overmount Sink: N/A

Countertop Options: N/A

Complimentary Countertops: [Taj Mahal Quartzite](#)

Notes on interior decorating with wood countertops:

"We brought this luxurious stone and glass mosaic to the crown molding, functioning like a beautiful wallpaper behind the sink and the range. Often, it's better to continue one material versus having choppy delineation between areas. While this is usually a more contemporary way of treating the backsplash, in this case it worked beautifully in this traditional kitchen because of the neutral colors and the warm wood countertop."
