### Notes on interior decorating with wood countertops:

A super-swanky teen hideout is the ultimate sleepover space in House Beautiful Whole Home Concept House 2020. The space features a custom Pastore™ desk crafted by Grothouse, and matching custom floating shelves crafted of stained Ash wood and gilded with Anvil™ Magnum Metal Finish. The shelves feature curved edges finished with Anvil™ Magnum metal coating. The metal finish was left natural and textured, with an appearance like cast or rolled metal.
